FACULTY

With the help and guidance of a competent teaching staff, the students of Abilene High School learn the skills of becoming tomorrow's leading citizens.

CLASSES

The incentive to learn is instilled in the heart of each class member. A varied curriculum arouses intellectual curiosity and creates an interest in many different fields of learning.

ATHLETICS

By learning co-operation, responsibility, skill, and teamwork, participants in athletics are better prepared to meet the problems of the future.

Go Forth to Serve

FAVORITES

By inspiring others to acquire the characteristics for which they are honored, the favorites serve through their influence. They set examples for other students in classwork and extracurricular activities.

CLUBS

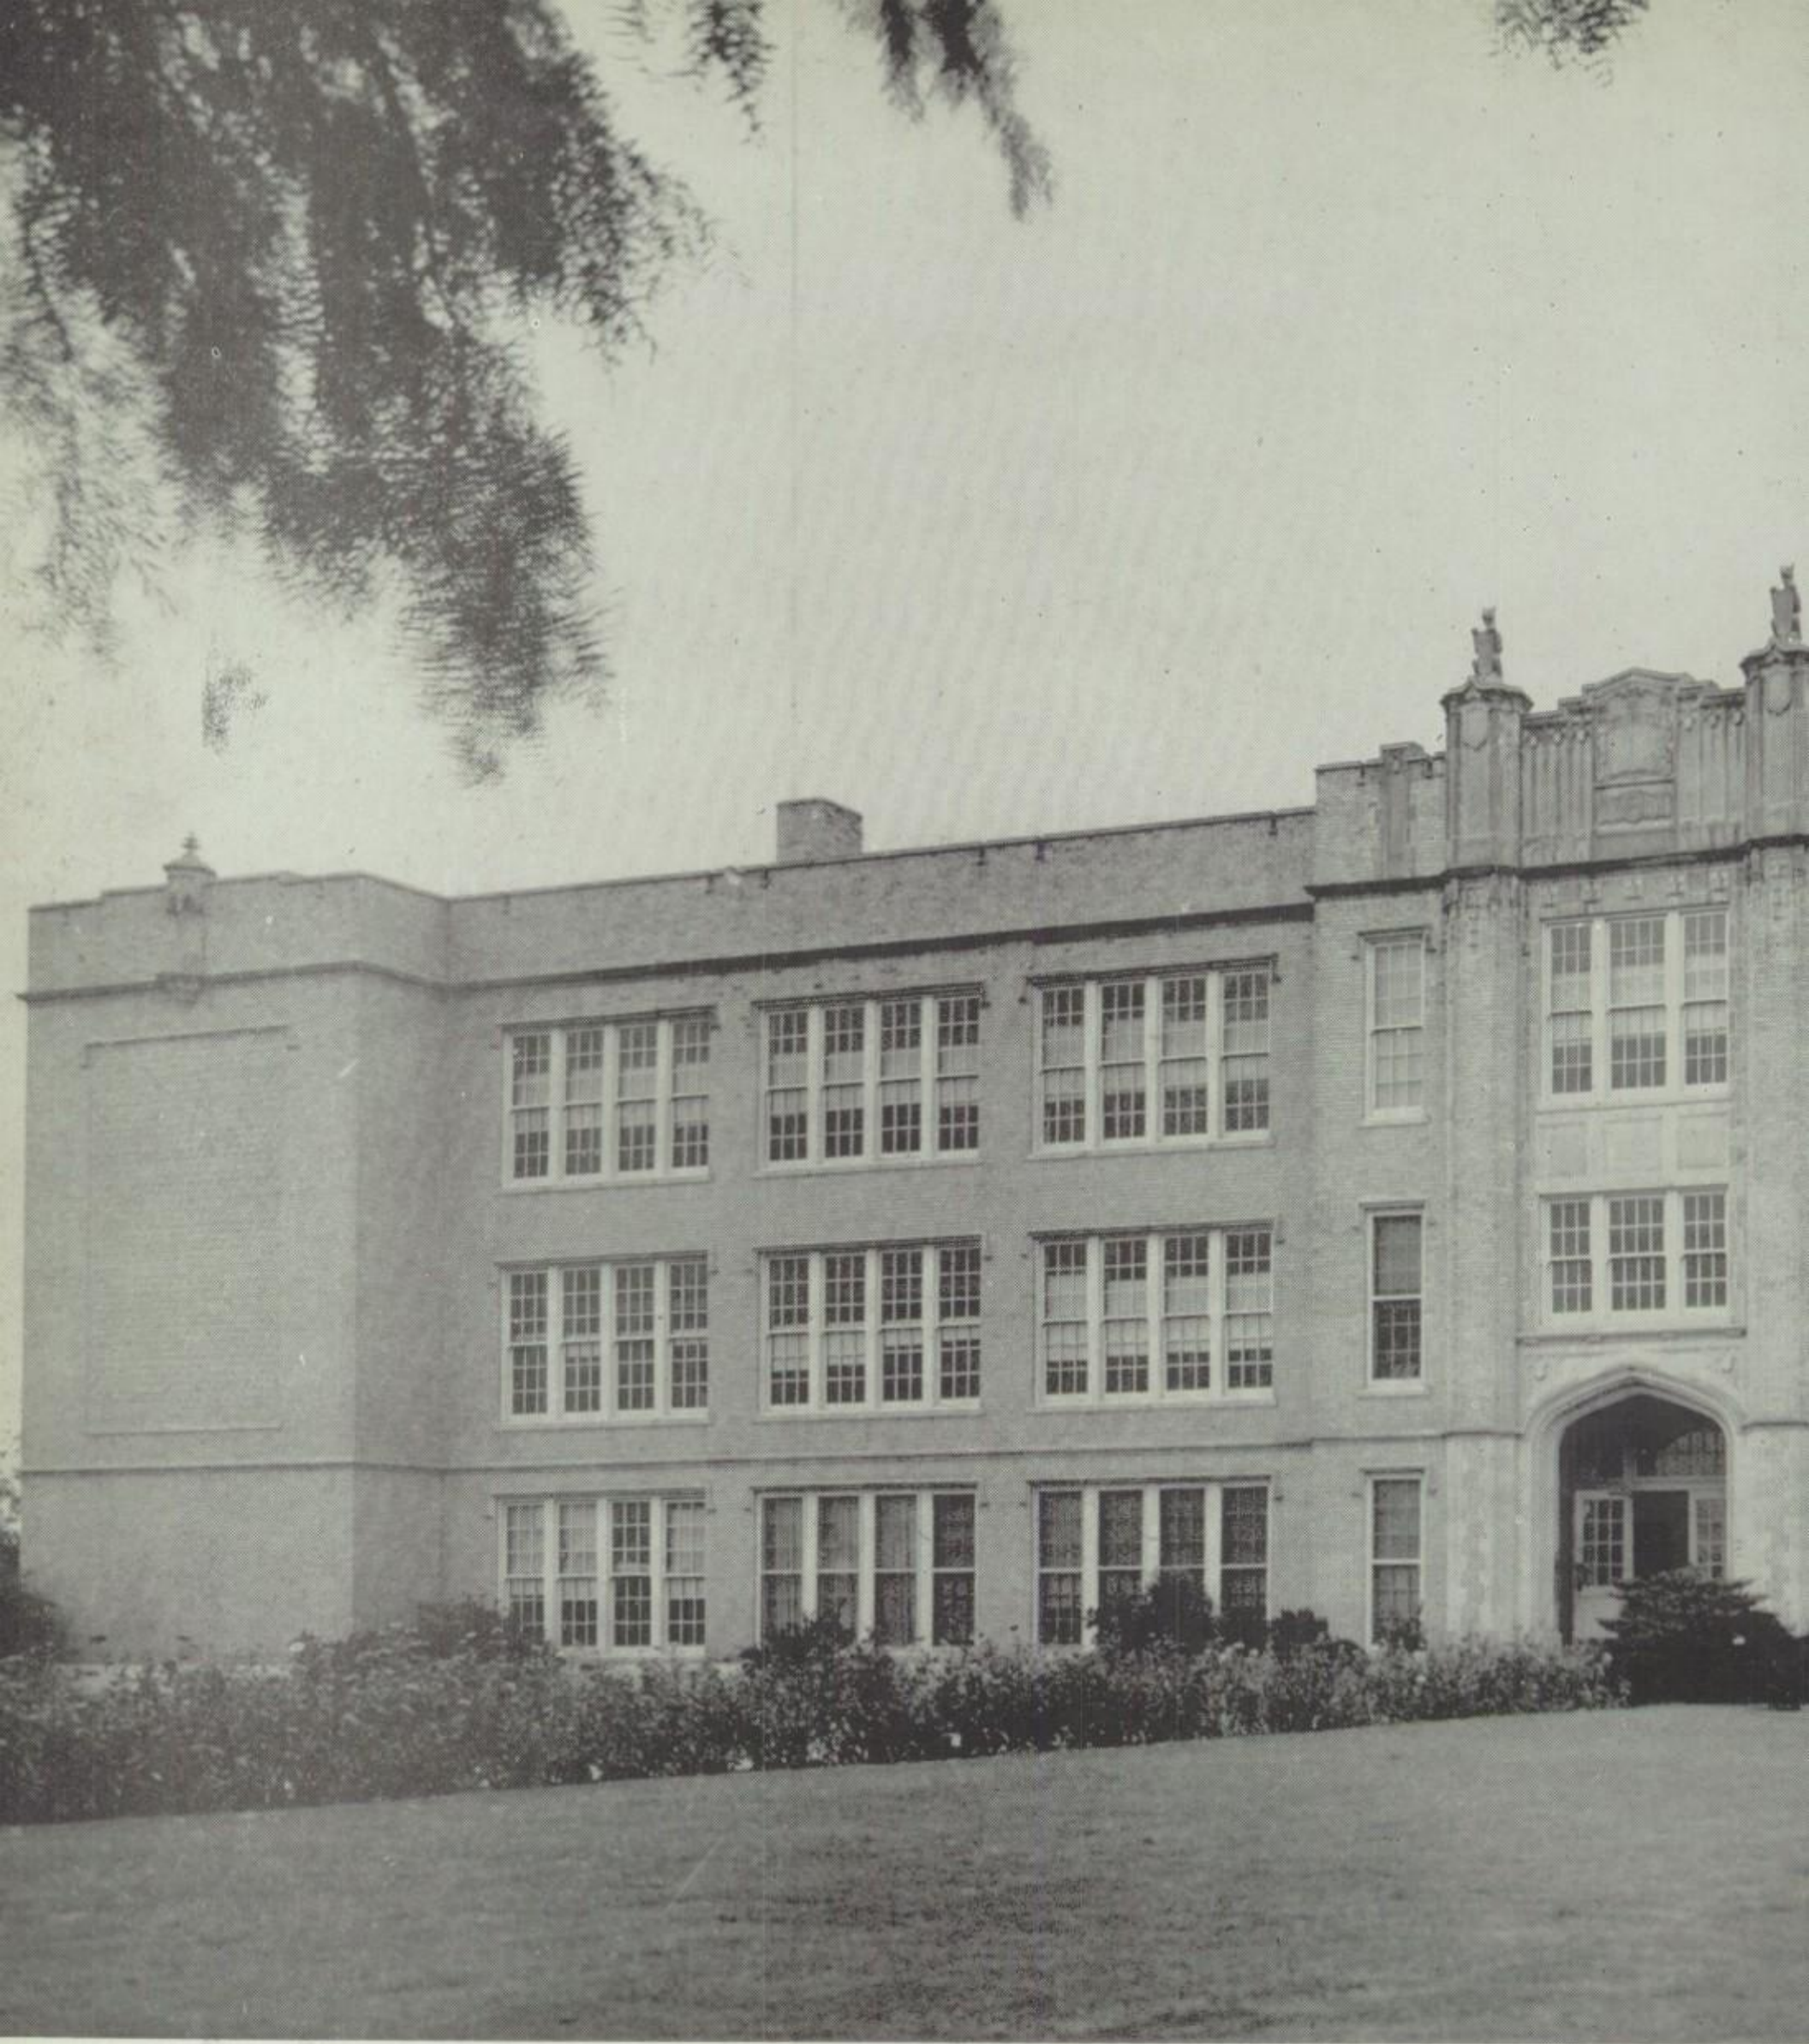

The clubs greatly serve the individual by promoting high ideals and developing social skills. By their loyal support of worthy causes, both the school and community are served.

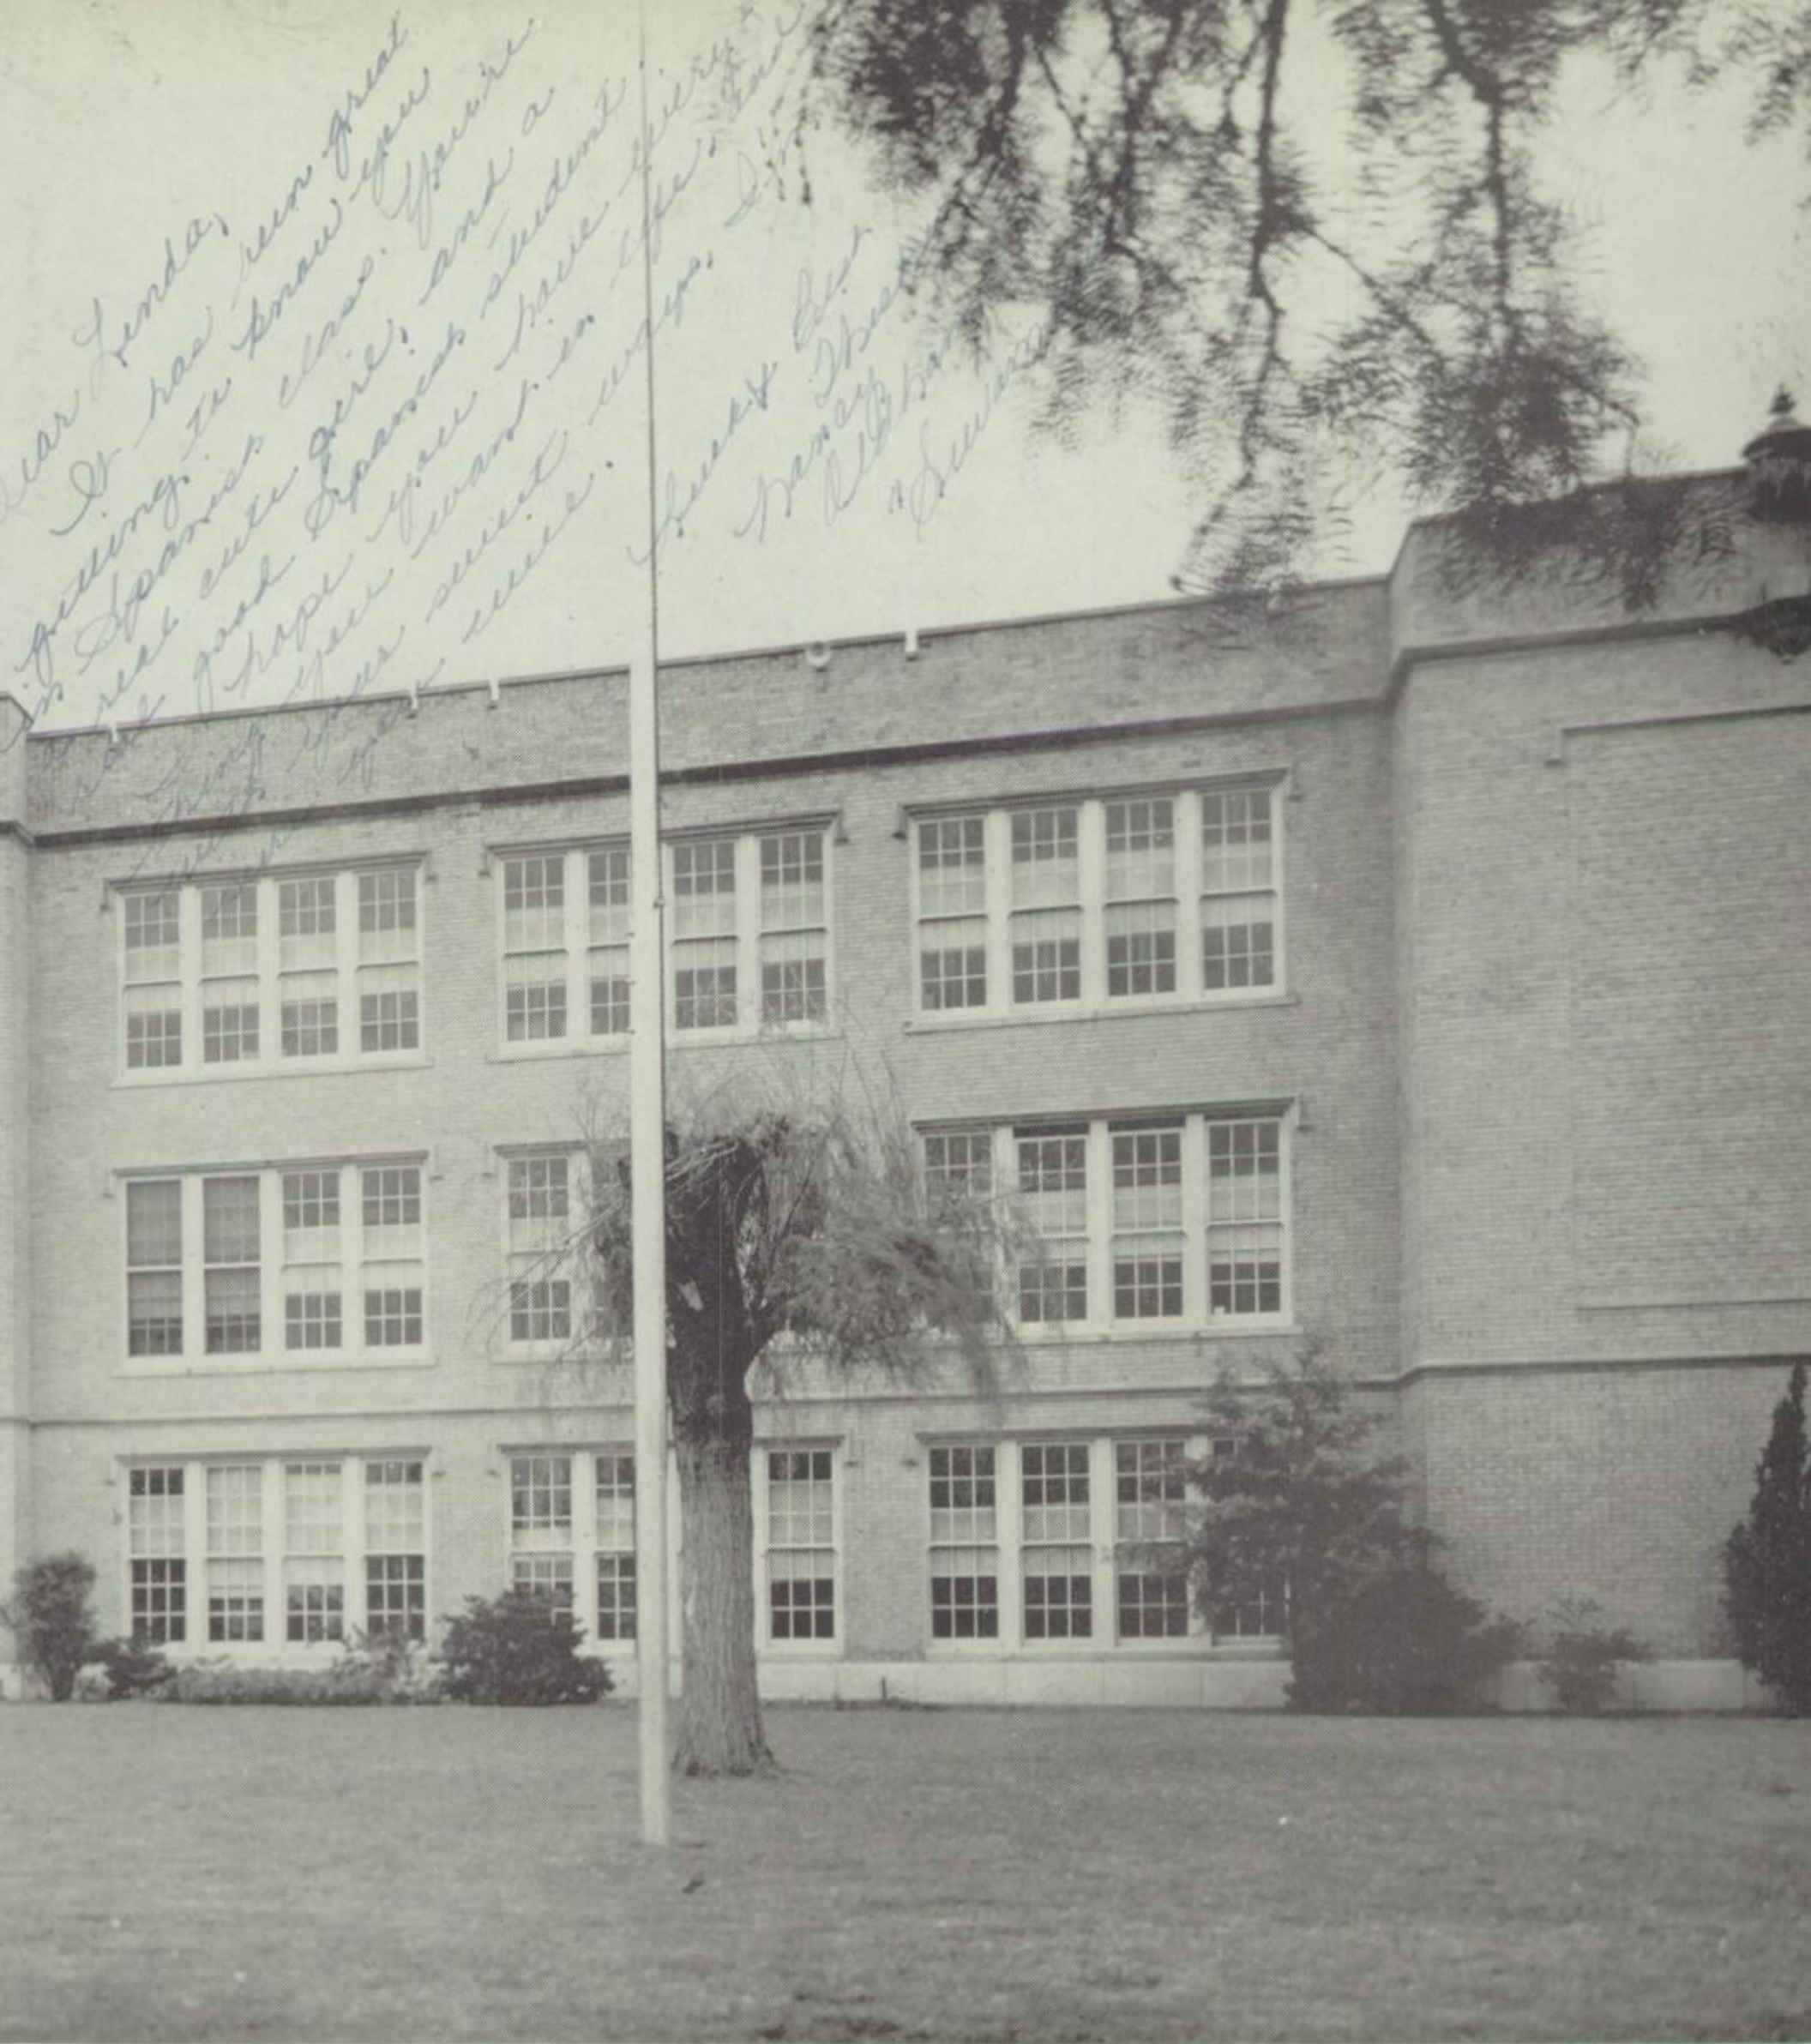

ADVERTISEMENTS

Advertisements are the medium by which the citizens are informed of the types of merchandise sold by the dealers of Abilene. This service aids the development of the city both commercially and industrially.

LEARNING,

system.

Dear Students:

The encouragement and co-operation I have received while working with the students of Abilene High School this year, for the first time as your superintendent, will always be remembered as one of my most cherished years as a school administrator. May the loyalty you have for your school's "Abilene Eagles" continue through the years and manifest itself in your loyalty to yourself, your fellowman, your country, and your God. May this enable you to enjoy a long life filled with wholesome and rich experiences bringing to you all the happiness and pleasure one could desire.

Sincerely,
A. E. Wells

Dear Friends:

We hope you learn in Abilene High School how to entertain yourself, how to entertain someone else, and how to entertain a new idea. We hope you learn how to balance your life giving proper attention to work, play, love, and worship. We hope you come to realize that the only true happiness comes from making others happy. If you do these things, you will go forth to serve.

Sincerely,
Chas. Romine

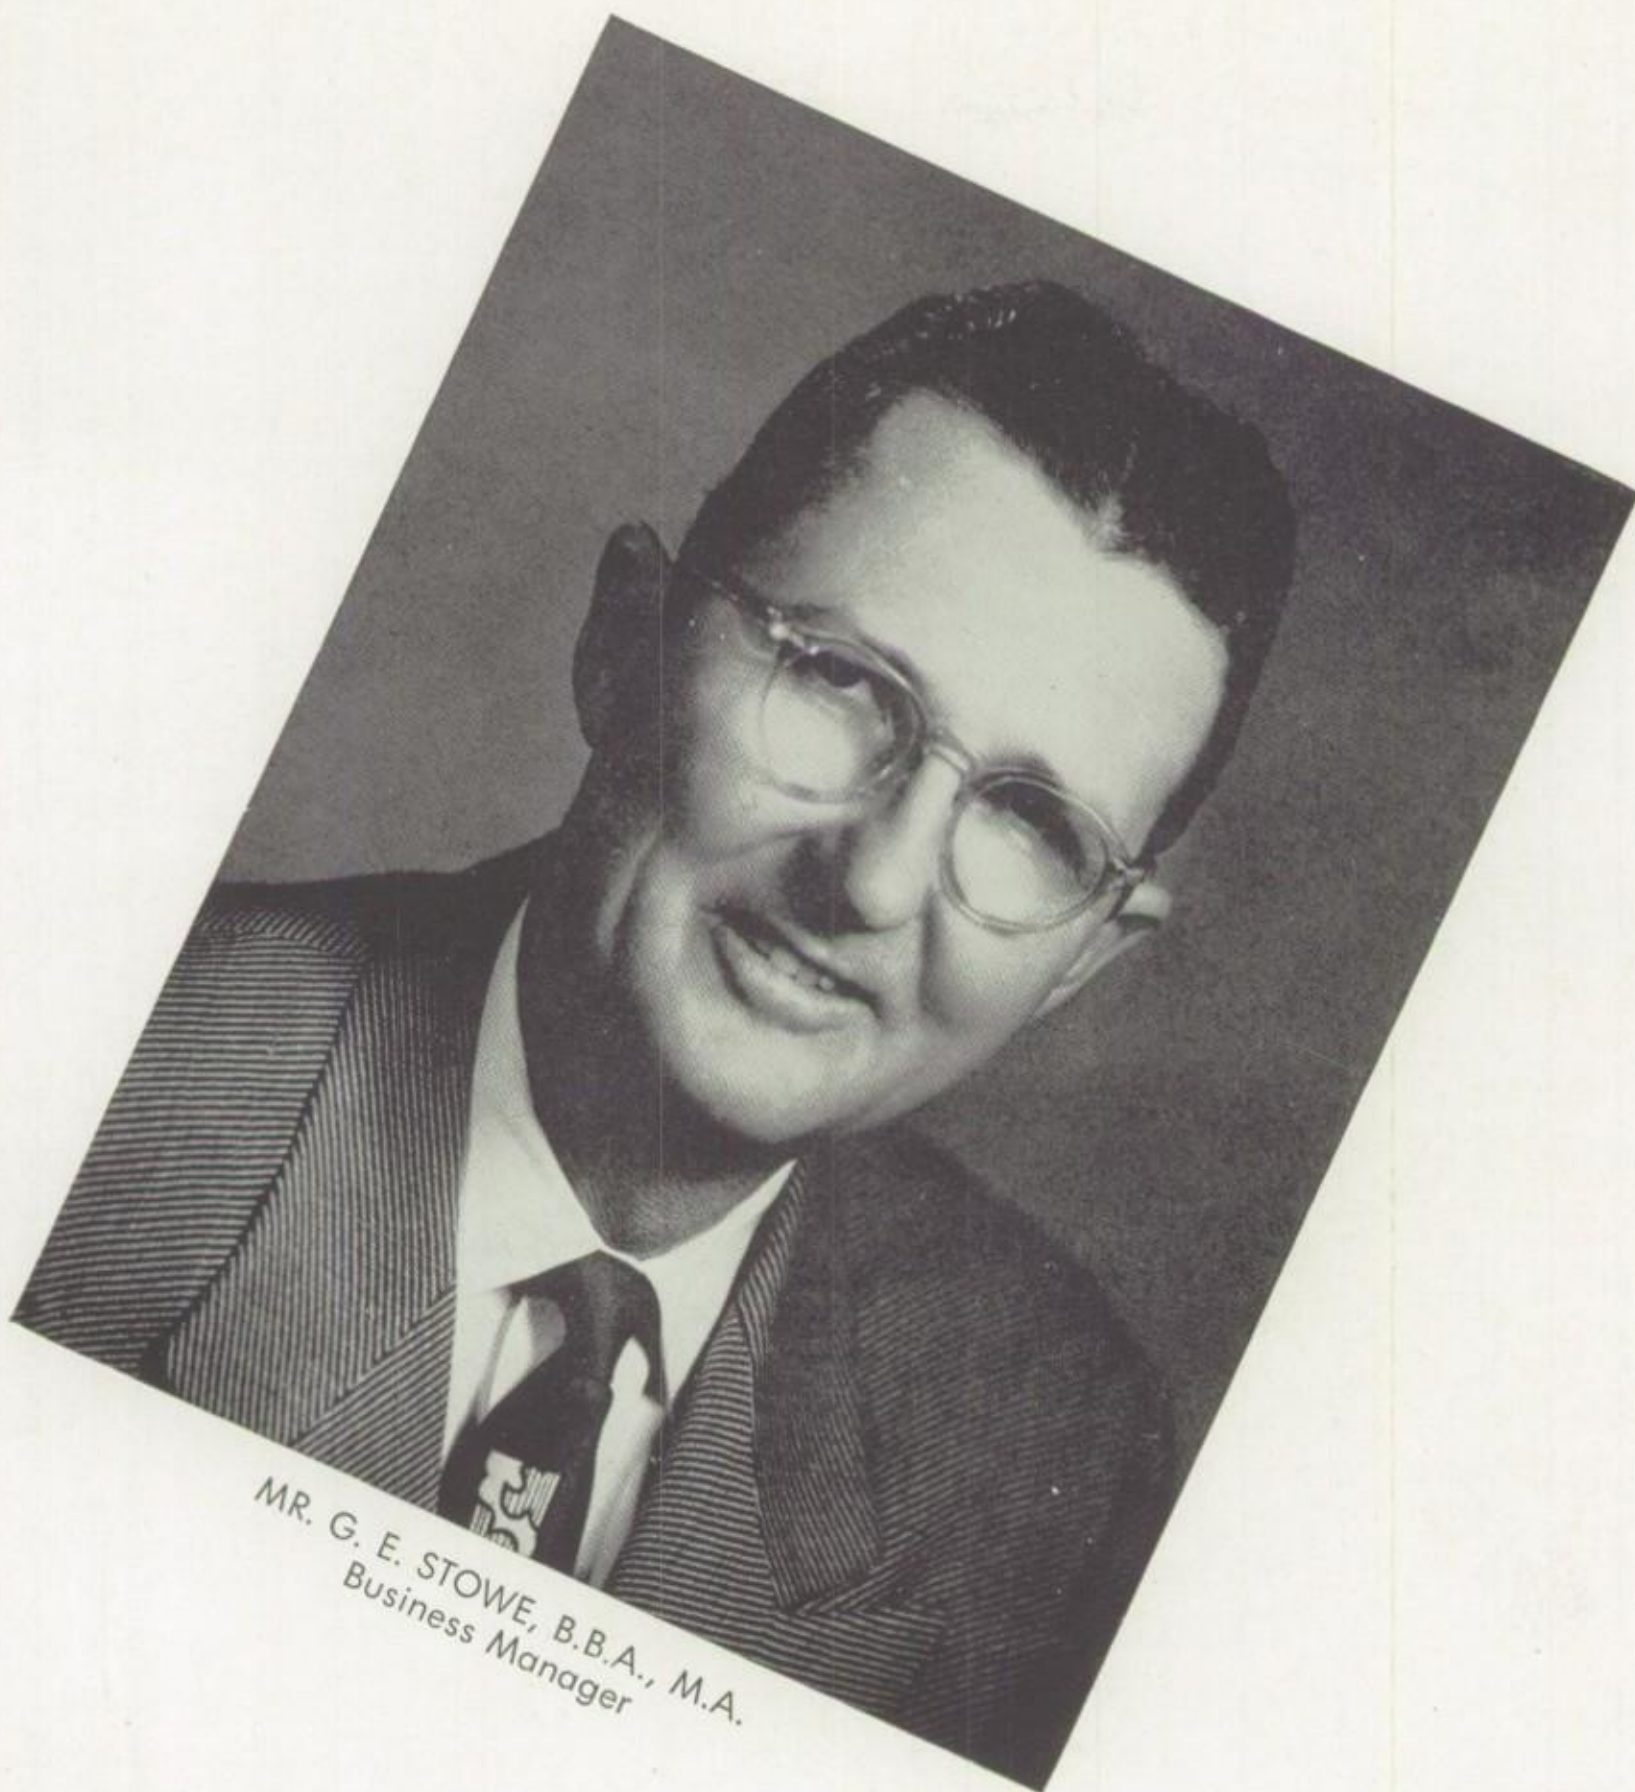

Dear Students:

Many years ago the students of Abilene High School adopted a challenging motto, "Enter to learn, go forth to serve." Many students have accepted and met this challenge down through the years and the student body this year has not been an exception.

I congratulate you upon your achievements and wish for each of you success and happiness during the years ahead.

Sincerely,
J. H. Nail

Dear Students:

The secret of great achievement is the alert and open mind that unafraid enters into new fields with the spirit of the pioneer, glorifying every task with a passionate and loyal devotion.

You must have a courage which makes you willing to dare and to die unto self, a life of resistless, undaunted perseverance. Let the words—vision, courage, and perseverance—burn themselves into your soul if you are to walk in a manly and kingly way along the highways of life.

Sincerely,
G. E. Stowe

HARRY KIRKLIN

Born: April 29, 1933—Died: December 8, 1951

"It singeth low in every heart,
We hear it each and all—
A song of those who answer not,
However we may call;
They throng the silence of the breast,
We see them as of yore—
The kind, the brave, the true, the sweet,
Who walk with us no more."

Norma, Gail, Barbara, and Sonya chat about the world situation(?).

Pat and "Pinkey" shiver as they anticipate the chilling water.

In pep rally before the kill Martha Sue warns the Breckenridge Buckaroos.

Mondell and Bob try to bribe Mr. Romine.

Revis, Bill, and Elna Ruth are stunned by the result of a final test!

James wishes Gayle would choose him as her TWIRP sweetheart.

Doris and Jack look on as Helen and Jo Ann try to find the answer.

Mondell interviews two volleyball stars, Charlotte and Norma.

The five-minute "pause that refreshes" stretches into ten as these boys relax after history class.

America is built on competition. Nothing in the education of a young person develops competitive spirit like athletics. From the moment one enters athletics, his competitive spirit is sharpened until the desire to excel is dominant. This desire to be on top has kept American traditions and institutions high in the past; the competitive spirit developed in sports will continue to keep America a leader in the world.

ABILENE WALLOPS CONROE 29-0

The unbeaten Warbirds with claws flashing rolled over the Conroe Tigers for their third straight victory. The teams seemed to be well matched for the first quarter, but then the Eagles started rolling and came off the field with a 29-0 victory. Five minutes deep in the second quarter Randle Garner passed to Jim Garner for the first Eagle tally. The TD was set up by a Conroe punt that went out on the Tiger 21. A Garner-to-Youngblood pass took the oval to the five and from there the Garner to Garner pass was thrown. Randle Garner hit Bob Beckham for a forty-yard pass that ended with the Warbirds on the one-yard line, after Beckham had pounced on a fumble the preceding play. Gene Boyd blasted for the count, and the Eagles led 14-0 at halftime.

The Tigers were pushed to their one-yard line midway in the third period; there Bob Beckham caught Dudley Parker behind the goal for a safety and streaked down the sideline 80 yards for a TD. Gene Boyd kicked his third extra point of the night and the Warbirds led 22-0. The final tally came when Donnie King rambled 41 yards for 6 points. The Eagle Reserves were on the Tiger 30 when the game ended.

ABILENE TROUNCES BRECKENRIDGE 19-0

With flashes of grinding power the Abilene Eagles wiped grudge No. 2 off the slate by outfighting and almost outclassing the Breckenridge Buckaroos, 19-0.

The Eagles struck for a quick touchdown the first time they got the ball, then battled the Bucks to a standstill until early in the fourth quarter when they pushed over two more tallies to put the game on ice.

After stopping Breck on its initial drive the Eagles took over on their own 20-yard line.

With Boyd bearing the brunt of the running attack with good assistance from Joe Moore, Joe Youngblood, and Randle Garner, the Eagles pulled up three first downs and drove to the Buck 29 before Garner took to the air. After one incomplete pass, Garner hit Beckham on the sideline and the ball was put into play on the one-foot line. The next play R. Garner went over for the score, Boyd kicked the extra point, and the score read 7-0.

Early in the fourth quarter Joe Youngblood returned a Breck punt to his own 38. Five plays later R. Garner went over for the second Warbird counter. The conversion was missed and Abilene led by 13-0. The final Eagle score, made by Youngblood, was set up on a fumble which the Eagles recovered on the Buckaroos' 17.

ABILENE BEATEN BY PAMPA 46-7

Seeking their second straight district victory, the Warbirds journeyed to Pampa for a clash with the Harvesters. When the dust cleared Pampa had humiliated the Eagles with a 46-7 victory. On the opening play Donnie King pounced on a Harvester fumble on the Pampa 24. King carried to the 15 for a first down. There the Harvesters stiffened and took the ball on downs. The first two times Pampa had their hands on the ball in the second quarter, they scored and led at the half 14-0. The Eagles, trailing 21-0 in the third period, came to life when Randle Garner intercepted a pass on his own 28 and raced 70 yards to the 2-yard line. He went over two plays later on a quarterback sneak. Playing recklessly, the Warbirds, trying gamely to get back in the ball game, set up three touchdowns in the last quarter by gambling on fourth down passes.

ODESSA BEATS ABILENE 35-13

The Odessa Bronchos proved to be too much for the Abilene Eagles as they overpowered the Warbirds 35-13. The victory knocked the Eagles from the 1-A AAAA race and simultaneously kept the hopes of the Bronchos alive.

Donnie King climaxed a 47-yard Eagle drive with a 26-yard touchdown scamper around the left end. The extra point was missed. Gene Boyd added the second TD, seconds before the end of the first half, when he loped 58 yards with a pass interception. Boyd added the extra point to end the Abilene scoring for the night.

Odessa powered to its first touchdown with a 17-yard jaunt climaxing the drive. The point was kicked. With only 15 seconds gone in the second quarter, the Bronchos made it 9-0 when a blocked punt rolled out of the end zone.

Adams put the Bronchos in the lead with a 100-yard scamper to start the second half. A drive of 51 yards added 6 more points for Odessa. The Bronchos drove 70 yards for their fourth TD. The final score read 35-13 after an Odessa interception set up the final touchdown.

The rough and ready Eagles are reverent during "Dear Old Abilene High," which closes the pep rally.

ABILENE LOSES TO LUBBOCK 34-20

A flock of Abilene Eagles saw the undefeated Lubbock Westerners cash in on a second quarter rally for a 34-20 win and their ninth straight victory. The Warbirds were trailing 6-0, after James Sides had galloped 52 yards for a Lubbock tally, when Randle Garner passed to Jim Garner from his own 28 and Garner carried the ball to the Westerner 38. He then pitched one to Bob Beckham on the three and Joe Youngblood went over from there.

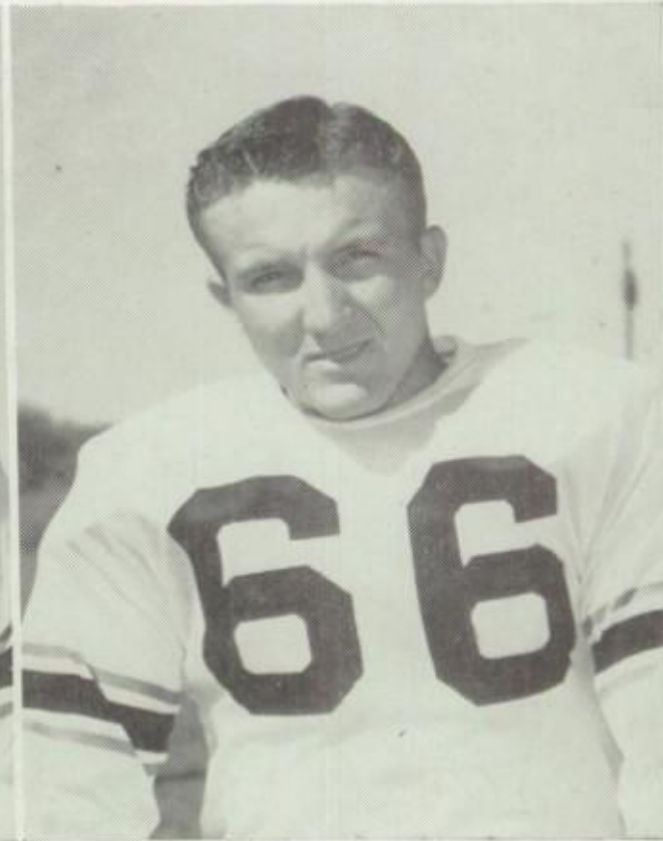

Then the fireworks started. In less than five minutes the Westerners scored three touchdowns and led 27-6 at the half. Lubbock scored its final tally when Sides went over climaxing a 49-yard drive. The Warbirds, trying gamely to even things up, scored when John Howle hit Beckham on the Westerner 31 and Beckham rambled over. The final score came after Charles Stowers recovered a Westerner fumble on the Lubbock 32. Four plays later Gene Boyd scored from the nine. The game ended with the Warbirds on the Lubbock 33 fighting vainly for another tally.

ABILENE BOWS TO AMARILLO 21-13

Amarillo's Golden Sandies, playing catchup for most of the night, finally passed the Abilene Eagles in the last five minutes of play at Fair Park Stadium.

The Eagles, playing their final tilt at home this season, led twice in the game, 7-0, midway in the first period, and 13-7 after three quarters of play.

The Eagles' first TD was set up on a short punt which went out of bounds on the Eagle 33. Nine plays later Youngblood plunged across for the tally. Gene Boyd converted to make the score read 7-0.

On the third play following the kickoff, Jack Fry broke into the clear and went 65 yards to score. The extra point was good and the count was deadlocked. Late in the third quarter the Eagles drove 72 yards to take the lead for the second time. Taking over on their own 28, the Eagles drove the distance in five plays.

Amarillo drove 91 and 28 yards respectively to score and win the game.

ABILENE OVERPOWERS BORGER 41-14

Seventeen fighting Warbirds ended their gridiron careers for the Black and Gold by stomping the Borger Bulldogs 41-14 in a Turkey Day game at the Panhandle city.

The Eagles scored the first time they got their hands on the ball. Randle Garner fell on a Bulldog fumble and four plays later sneaked across from the one. Garner took a lateral on the Bulldog five and carried the mail across, climaxing a drive that started on the Eagle 32 and sent the Warbirds ahead 14-0. On the last play of the first quarter Joe Youngblood intercepted a pass and scampered to the Borger 39. Boyd, Youngblood, and King alternated to the 18; there Boyd took the oval and crossed into paydirt. The Bulldogs took the kickoff and marched 61 yards with Bubba Hillman eating up most of the yardage and passing to Allen Bryant for Borger's first tally. The Warbirds took the kickoff and marched 55 yards with Bob Beckham going over on a pass play covering 22 yards. The half ended with the Eagles ahead 27-7.

The Bulldogs cashed in on a fumble for their final score. The Warbirds marched 70 yards for their fifth TD with John Howle at the helm. Almost everyone got into the act with Youngblood, Boyd and Estes running and Beckham snagging a pass; Boyd did the scoring when he crossed into paydirt from the six. Mondell Barnes scored the last Eagle tally when he snagged a stray Borger pass and galloped 30 yards to the double stripe.

1951 SEASON REVIEW

The Warbird Flock, playing for the first season in the newly organized 1-AAAA district, came out with a record of 6 won, 4 lost. The Eagles swept through a non-conference schedule with decisive victories over such teams as Arlington Heights of Fort Worth and Conroe, both winners of their districts, and Breckenridge, State Champion in the AAA division. In district play the Warbirds defeated San Angelo and Borger while bowing to Pampa, Odessa, Amarillo, and Lubbock (AAAA State Champion), to finish fifth in the district. Five Eagles were placed on all-district teams: Joe Youngblood, offensive back, and Joe Moore, defensive back, on the first teams; Bob Beckham, defensive end, Gene Boyd, offensive back, and Jimmy Johnson, offensive guard, on the second teams.

DISTRIBUTIVE EDUCATION

Distributive Education is a vocational program which trains boys and girls who want to follow careers in retail stores, wholesale houses, or in service-selling businesses. This course gives students a constructive means of studying and understanding their jobs. During the morning, students receive vocational training in the classroom. In the afternoon they get on-the-job experience working in stores downtown.

FUTURE FARMERS OF AMERICA

The Ollie B. Webb Chapter of the Future Farmers of America is better known to us as the Abilene Chapter. When organized in May of 1930, it was named for the Assistant to the President of the Texas and Pacific Railway, Mr. Ollie B. Webb. The organization was instigated by Mr. F. E. Tutt, the first teacher of vocational agriculture in Abilene High School.

Down through the years the chapter has had a varied and useful history, winning many local, state, and national honors. Scores of banners and trophies won by the organization can be seen in the trophy case and in the vocational agriculture room.

Some of the more outstanding honors are listed below:

1st place, State Public Speaking Contest was won four times

2nd place, Tri-State Public Speaking Contest was won three times

1st place, State Poultry and Terracing Contest at A&M College, 1931

1st place, State Dairy Team Contests, 1948. This team represented Texas in the National Contest at Waterloo, Iowa, where an Honorable Mention rating was received.

1st place, State Meats Team Contest, 1950. This team went to the National Contest at Kansas City, Missouri, where the Bronze Emblem was won.

Sweepstakes in the Judging Contests at Coleman in 1951

Dear Linda,
 I always say, "better late than never", since
 this is March 8, 1953, I'm just a little late.
 I really enjoyed being in class, or classes I don't
 remember now with you. Orchestra was a lot of
 fun. The San Angelo trip included. Since I'm writing
 this later I will add the State Fair trip in
 on that. The dear old A.H. S. Little Theatre will
 have to do without me. I really enjoyed it though!
 May we enjoy many more classes together
 next year!
